Instructions for Typing the Contestant's Platform Statement

Please remember. This is your opportunity to explain to the judges what your chosen platform is and why it is important for the Miss America Organization to embrace this platform. In addition, it should explain how your platform will further the Miss America Organization "brand" to the public. This **ONE (1) page, single-spaced** document combined with the Contestant's Resume, will comprise your entire application for this job. The judges will receive exactly what is submitted. Any items submitted that do not fit the established criteria will be returned for correction only once. Any items that do not meet the criteria or are submitted after the deadline will not be given to the judges. If your Platform Statement arrives on the day of the deadline, but does not meet the criteria, there will not be time to return it to you; therefore, it will not be given to the judges. The contestant may explain the lack of judging materials during her interview, if she so chooses.

1. Go to the word processing program of your computer.
2. Start a "new" document.
3. Set margins for 1" on all four sides. The font style may not be any smaller than "10" and no larger than "12" point type using the Times New Roman font style.
4. With the justification set for left, type **"Name:" in bold**. Following the colon (:), hit the space bar twice. Then, type your name.
5. Then, move to the next line and type **"Title:" in bold**. Following the colon (:), hit the space bar twice. Then, type your state title.
6. Double space down. Set your justification to "center". Then type in **bold and underline** the title of your Platform.
7. Double space down. Write what you feel is critical for the judge's to know about your platform and why it is necessary for you to have the job of Miss America to promote this issue. What you write will be what the judges know about your platform, your role in successfully dealing with this issue, and the role the Miss America Organization may play in your plan.
8. This essay **may** include some of the following items (**this is not to be meant as an exhaustive list**):
 - A clear definition of the platform and the specific issues you wish to address
 - A plan on how you have or will create awareness of the platform
 - The way in which you have or will change attitudes regarding the issue
 - The way in which you have or will change behaviors related to this issue
 - The way in which your platform issue will move the Miss America Organization forward
 - Your media plans
 - Your marketing strategy
 - How you propose to fund your ideas/plans
 - Any significant accomplishments you have made in regard to your issue
9. At the bottom of the page, you **MUST** set the justification to the right. Type a line of 26 spaces. Below that line, you must type Signature/Date and after printing **sign and date the document**.

Once you have printed the document, it is important that you SIGN and DATE the document as shown in the attached SAMPLE

Name: Jane Smith

Title: Miss Local

Celebrating Cultural Diversity and Inclusiveness

It is imperative that this nation face and embrace its cultural diversity. While many people have talked about this issue, I believe that most of them have only paid lip service to the true necessity of what needs to be addressed related to this issue. There is a false truth in merely accepting and tolerating cultural diversity. I intend to prove that in order to accept and understand people of other cultures; one must be willing to step out of a personal cultural comfort zone and identify the origin of their prejudice. I will specifically focus on three areas: Children, Communities, and Businesses.

The title of Miss America, combined with the national media already looking at the surface of this issue, will allow me to create the national awareness that must exist. Currently, the term “Cultural Diversity” is well known in the halls of institutions of higher learning and, perhaps, even in the public school classroom because of the need for some to be politically correct. But, in order for us to make a true change in attitudes and behaviors of Americans, we must move beyond talk and into action and policy changes.

My plan is to motivate the media and to partner with the National Conference for Community and Justice. This organization has chapters in every major city in the nation and, in many cases, those chapters have community leaders involved who can, with encouragement and challenging, bring this issue out of hiding and into the public light in each of those communities.

Obviously, the media and the NCCJ already exist. However, what is lacking is a lightning rod to draw attention to this issue. This is where the Miss America Organization steps into the lead. What better role is there for Miss America than to be an agent of change in organizing our nation to accept our differences and to create an environment that values each person on individual characteristics rather than on stereotypes or assumptions?

For years, Miss America was seen as a young woman who cut ribbons and appeared in parades. It is time for “Miss America” to step out of the convertible and *lead the parade*. Our country’s ethnic make-up is changing rapidly and our citizen’s fear of terrorism can explode already existing, but deeply hidden prejudices. I want to be the leader that this nation needs.

This nation needs this issue addressed now and through the already existing NCCJ and its local and state organizations combined with the power of Miss America, we can make a concrete difference now, which will change the direction and the future of our nation.

Name: Jane Smith

Title: Contestant for Miss Local

Hometown: Anytown, Georgia

Date of Birth: December 29, 1989

Education: University of State – sophomore – Bachelor of Science, Liberal Arts
Frederick Douglass High School

Platform Issue: Celebrating Cultural Diversity and Inclusiveness

Scholastic/Career Ambition: Obtain a Masters of Business Administration

Leadership Roles: Created and implemented a comprehensive Cultural Diversity Education Curriculum for grades K-12 in twelve Public Schools; University Student Body Senator; H.S. Sr. Class Pres.; College Sorority President.

Accomplishments: Recipient of the J.C. Penney Golden Rule Award for Outstanding Volunteer Service to Community; Recipient of the National Conference for Community and Justice Humanitarian Award; Performer, Grand Ole Opry in Nashville; Piano Performance scholarship at State University.

Interesting Facts: First person on either side of my family to attend college; Youngest of five children with a 13-year gap between me and my next oldest sister and an almost 20-year gap between the oldest and myself.

Employment: Internship with a Law Firm; Internship with local ABC television affiliate; Student Assistant at State University.

How has the world you come from shaped your dreams and aspirations?

I come from a loving, supportive family that has always taught me to work hard for the things I want to achieve. Growing up, my parents always encouraged us to get involved with our local community and help those who were less fortunate than us. They tried to instill good values in us and to always guide us on the right path. I think it is because of these lessons my parents taught me that I want to make a difference in today’s world. I aspire to be a woman of great influence, preferably working in the non-profit sector, where I can apply my talents for the greater good and help to change people’s lives. One person truly can make a difference, and I am on my way to proving that cliché. I also dream to one day have a loving family of my own, with beautiful children in whom I can instill the same core values that my parents gave to me.

Of all the ways you could succeed in your life, why have you chosen to succeed in the Miss America Pageant?

Along with providing the financial assistance for young women to fulfill our educational goals, the Miss America Organization gives us the opportunity to bring national attention to a cause dear to our hearts. If I were to become Miss America, I know that my voice would be heard as a spokesperson for my personal platform, as well as the

national platform. Raising awareness of important social and political issues has always been important to me, and Miss America provides the perfect arena for that.

What social issue, other than your platform, will have the greatest impact on your generation and why?

Although I'm not sure I would consider it a social issue, I think technological advancements will have the greatest social impact on my generation. Technology is changing everything – the way we communicate, our lifestyles, access to information – it's all right at your fingertips! That can be a double-edged sword. I believe we run the risk of losing both interpersonal and language skills due to the ease and speed of communicating electronically. I believe our educators should address this issue immediately, or it may, unfortunately, have the greatest impact on my generation and every generation to follow.

Send Emails

Click on "Send Emails" on the left hand side and enter email addresses to send to your friends and family. **Tip:** send one email to yourself to your own email address, then when you get that email from

the system, add a personal note to that email and forward that email to as many as you like within your own email system. You could ask for \$5, \$10, \$20 or whatever they can give to both great causes.

It is as simple as that. You may track your progress and see how you are doing. The more emails you send, the more funds you raise for both of these great organizations.
